

# Welcome to Blair Drummond

We hope you have a brilliant day with us. Here's some information to help you plan your visit...

**We have over 300 animals.** Some can be viewed on foot, and others as you drive through the reserves. You're welcome to drive round the reserves as many times as you like. The reserves open at 10am and **last entry is 15 minutes before the safari park closes**, so please keep an eye on the time. For obvious reasons, motorbikes are not permitted anywhere in the drive-thru reserves, and soft-top vehicles are not permitted in the lion and macaque reserves.

**Bird of Prey shows take place at 1:00pm, 2:30pm, and 4:00pm.** You're welcome to pop into the Bird of Prey Centre at any time.

**"Dinosaurs at Blair Drummond"** is one of the best dinosaur attractions in the country, and you're welcome to explore our prehistoric forest as many times as you dare!

**Lemur Land** is great fun but you must wear a face mask at all times. This is because our lemurs have a higher risk of Covid infection than many other animals.

**Chimp Island** boat trips are not running at the moment. However, we've built a new path so the chimps can be viewed on foot.

**Keeper Q&As** take place on our animal platforms throughout the day. Keep an eye on the blackboards around the park for times.

**Smoking/Vaping** is only permitted in the designated smoking areas. The rest of the park is non-smoking.

**Most importantly, enjoy your day!**

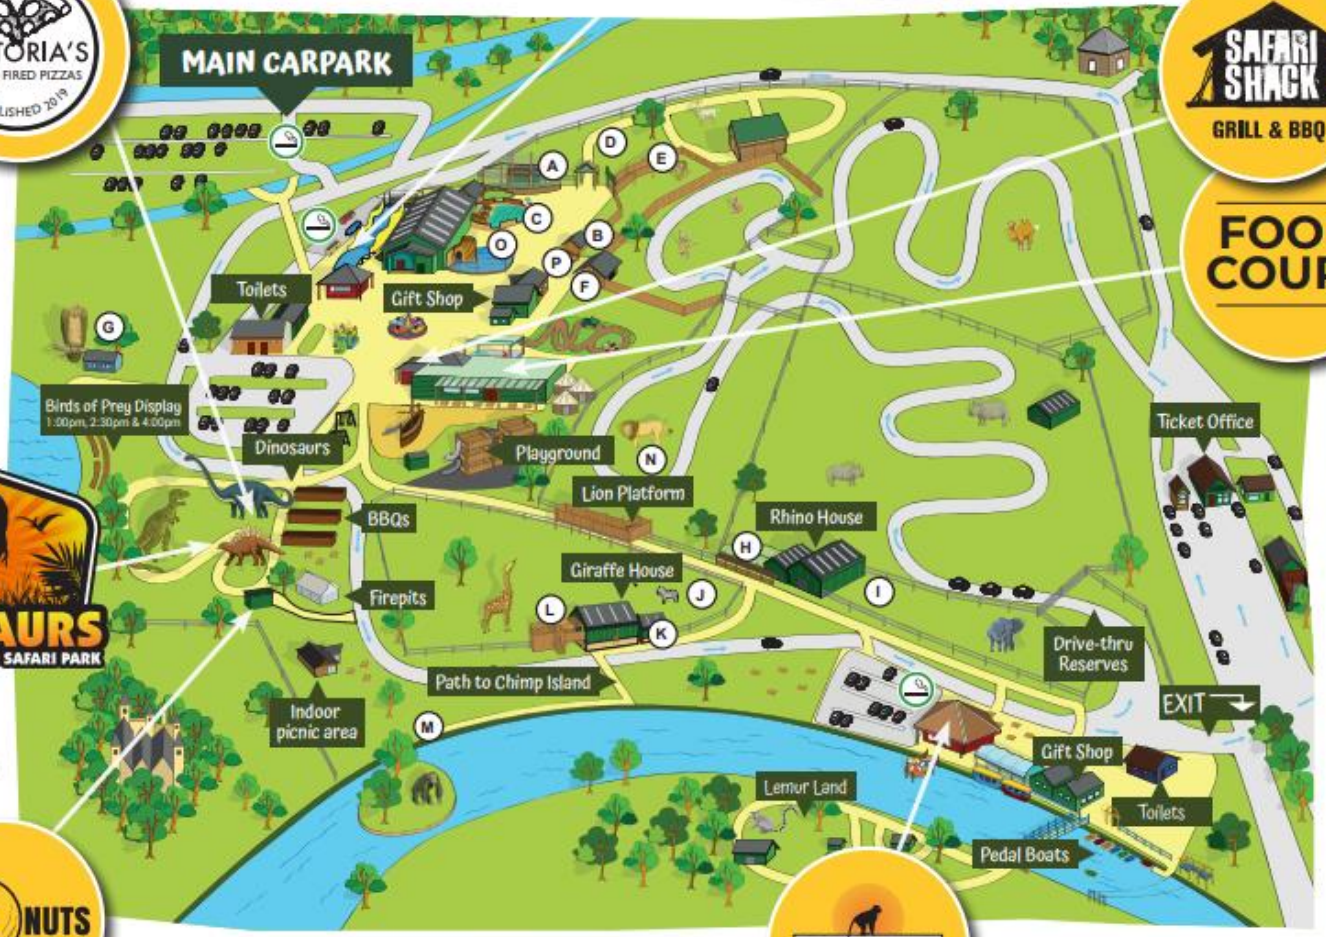

## Lots of tasty options ...

It's not just the animals we cater for at meal times. We've got lots of tasty goodies for our visitors too, including a full range of vegetarian, vegan, gluten-free and dairy-free options.

Opening times for food outlets may vary.

- |                      |                |
|----------------------|----------------|
| A: Red Ruffed Lemur  | I: Elephant    |
| B: Emperor Tamarin   | J: Zebras      |
| C: Penguins          | K: Ostriches   |
| D: Pets Farm Animals | L: Giraffes    |
| E: Tiger             | M: Chimpanzees |
| F: Macaque House     | N: Lions       |
| G: Birds of Prey     | O: Sea Lions   |
| H: Rhinoceros        | P: Meerkats    |

We are a no-smoking Park. Smoking/vaping in designated areas only.

Trained First Aiders are on site. Ask a member of staff.
